Description: The ninth book in the bestselling British madcap time-travelling series, served with a dash of wit that seems to be everyone's cup of tea. Behind the seemingly innocuous facade of St. Mary's Institute of Historical Research, a different kind of academic work is taking place. Just don't call it "time travel"—these historians "investigate major historical...

Review: I'm so torn. There are things about this series that I love and others that tend to bug me. This book did have one of the best slap me in the face reveals at the end though so props to Jodi Taylor for that. I love the history. Since I'm completely rubbish at historical stuff it is all new and interesting to me. Even when I do know a little about the...
